

LEARNING STATEMENT-I

NAME	HARSH AJAY
REG NO.	210303108048
BRANCH	PIET(IT) A+
SECTION: Tick the correct one	N102 <input checked="" type="checkbox"/>
	N104 <input type="checkbox"/>
	N105 <input type="checkbox"/>

1. Learning Outcomes:

- Improve the ability of communication with mentors.
- Gaining Experience about the use of MEAN Stack and why it is used for our project.
- Learning the new Technologies like React, API integration, UI/UX designing, payment Gateway.
- Improving in creating the creative design and user friendly interface.
- Improving in leadership skills.

2. Current Capabilities:

- Good in developing the website.
- Basic Knowledge in MEA(R)N Technology.
- Knows the basic of React and MongoDB.
- Learning Node and Integration of API.

3. Roles And Contribution:

In this Project my role will be developing the Frontend with good UI/UX interface. Also to communicate with each and every member of the group about in which section they are good at and dividing the work load among each equally so we can complete the project successfully.

If any member is weak in any particular technology i will try to teach as we can. As a team we will support each other at every point and will respect each others opinion as it could help to give some better output.
